

# The Big Smoke 60

## ISLAY BLENDED MALT SCOTCH WHISKY

The Big Smoke is a blended Islay malt whisky. Bottled relatively young, its characteristics are reminiscent of traditional Islay malt - full of peat smoke coastal sweetness. Powerful yet caressing, the Big Smoke is bottled at 46% and 60% ABV, and contains the likes of some of Islay's most iconic malt distilleries

The Big Smoke delivers a bold and powerful sensory experience to the seasoned Islay fanatics, with a multi dimensional sweetness that allows it to be enjoyed by connoisseurs of smoother Speyside and Campbeltown malts.

### Tasting Notes:

Nose: Oily, industrial, sweet ash, haylofts, germolene.

Taste: Limes, kiwi fruits, grapes, medicinal, very creamy, smoked mussels and ashy.

Finish: Building smoke, thick and oily, more kiwi fruits, melon and growing saltiness, dried oranges and a hint of chillies and chocolate
